DOMINION ORDERS IN COUNCIL.

[26]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 5th day of January, 1901.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 28th December, 1900, from the Minister of the Interior, stating that the representatives of "The Stave Lake Water Power Company, Limited," having represented to him that such Company was a "power company" within the meaning of Part IV. of the "Water Clauses Consolidation Act, 1897," being Chapter 190 of the Revised Statutes of British Columbia, and that the Government of the Province of British Columbia had granted to such Company certain privileges for the purposes of the Company, including the right to divert and use for such purposes the waters of the Stave River, to the extent of but not in excess of seventy-five thousand miner's inches; and having made application to him for a grant of the said privileges and rights, he, the Minister, decided that in so far as such rights exist in the Crown as represented by the Dominion of Canada the application of the Company might be granted by the issue to the Company by the Crown as represented by the Dominion of Canada, of a grant, by way of quit-claim, without warranty of title, if the Company first filed in the Department of the Interior, at Ottawa, certain documentary evidence, including the following:—

(1.) A properly certified copy of the charter obtained by the Company from the Government of the Province of British Columbia; and (2) A properly certified copy of the grant from the said Provincial Government of the right thereby accorded to the Company to divert and use for the purposes of the Company the waters of the Stave River to the extent before mentioned, and any other rights granted by that Government to the Company, in so far as such rights exist in the Crown as represented by the Province of British Columbia.

The Minister further states that the Company having furnished such documents they and all other papers concerning the Company's application were referred to the Deputy Minister of Justice for the preparation of a draft of the grant to the Company, and he, the Minister, submits a copy of such draft herewith, so that his action in the premises and the issue by him of a grant in the form of such draft may be confirmed and assented to by the Governor in Council.

The Committee submit the same for Your Excellency's approval accordingly.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon

a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A (*see Journals, 1900, page 175*) a model form of Railway Bill is adopted.
